

# How to restore with ready downloaded IPSW IOS file

EASIER and faster recovery (and DFU) of Iphone / Ipad in Itunes.

Written By: Lisbeth

## Step 1 — Trick in Itunes...HOLD SHIFT before click "Restore xxx" button.

- Download IOS (IPSW ) file for your device. When it's on harddrive as a file you enter Itunes, connect device. WHEN you want to click the "restore xxx" to restore Itunes will download file over and over. SO YOU INSTEAD PRESS SHIFT and THEN CLICK the restore xxx button. NOW a dialog box opens and you browse to your IPSW-file. No more waiting! FAST!

---

To reassemble your device, follow these instructions in reverse order.
